

E = Exists Based on information from our suppliers, the listed allergen is present in the product as an ingredient, food additive or processing aid.

TR = Trace Based on information from our suppliers, the listed allergen is stored at or used to manufacture other items at the site where the product (or one of its ingredients) is produced.

Dash (-) Indicates that the supplier has reported no presence or traces of the listed allergen

If you have a particular sensitivity to specific foods or ingredients, or if you have any other food allergies, intolerances or specific religious/ethnic or other dietary requirements, we strongly recommend that you contact stores.

Our pizza base contains wheat products, milk products and soya.

Please be aware that despite our best efforts there is always a risk of cross-contamination during processing, storage or preparation of food in our stores and/or at our suppliers premises. For these reasons we cannot 100% guarantee that our pizzas and other products are gluten and/or allergen free. Due to the risk of cross-contamination we would also like to strongly recommend that our "Gluten Free" pizzas are better suited to consume for life-style purposes and not for medical reasons. Pizza Club will not be liable for any costs whatsoever, including damages, claims, fees, medical costs, dental costs and other related charges whatsoever, for products sold through all our Pizza Club stores.
